## MAINTAINING ADVICES

The cutting quality of Wildsteer articles will last when regularly sharpened with a diamond stone or fine grain ceramic for stainless steels. Less effort will be needed with a well sharpened tool and therefore its use will be much easier.

In case of dirty mark into WX-lock system, use a little brush to clean it.

## WARRANTY CERTIFICATE

Wildsteer articles warranty runs during 2 years when the items are used normally. These items will only be exchanged in case of manufacturing flaw.
